Congratulations!

Congratulations to the students on a fantastic concert last week! They did an outstanding job and we couldn't be more proud! Thank you parents for being an amazing audience, and your help in making sure the concert went smoothly, we appreciate it!

Caroling

This week, we will begin our caroling project. Students will learn music in small, student led groups in preparation for "caroling" around the school on Wednesday, December 19th. This is a great learning opportunity for students to become more independent musicians, as well as a lot of fun! We frequently post videos of the student groups on our facebook, feel free to check it out!
